1st row. George Barton, Dick Byers, David Mizer, John M. Cargill, Sue Binon, Nancy Rowland, Kennith Bland, Melvin Barker, Betsy Cline, Bob Harden, George Arris, Junior McBride. 2nd row. Miss Pickering, Lee Liming, Eugene Barnhart, Teresa Luther, Grace Fleming, Martha Ann McFarlan, Rose Stamm, Jerry Milliken, Dick Campbell, Nelson Carson, Charles Hazelrigg. 3rd row. David Jamison, Bobby Warren, George Bland, Marilyn Mattern, Martha Blake, Bob Wright, John Hanna, Mary V. Adams, Joan Coultrap, Joe Simpson.

The history of the Class of 1951 began in September 1939 when Miss Pickering greeted 32 pupils who came to school for their first day. Of those 32, thirteen (13) are about to complete twelve (12) years at Cadiz. Those thirteen are: George Arris, Martha Ellen Blake, Grace Marie Fleming, Robert Harden, Charles Hazelrigg, John Hanna, Lee Liming, Marilyn Mattern, Martha Ann McFarlan, David Mizer, Nancy Rowland, Russell Tilkey, and Donald O'Bradovich.

By the time we reached second grade we could find our way about the building. This year the class was joined by L. Ed Jones, Fred Emert, and Jack Giacobbi.

In third grade we had our own store. We brought empty boxes from home and even made some fruit from clay. This showed our artistic ability. Marilyn Coulson joined the happy gang this year.

During third and fourth grade we had our Citizenship Club on Friday afternoons. My, how we looked forward to those meetings. Donald Barnhart and Charles Carter became members of our class when we were in fourth grade and in the fifth grade we were joined by Mike Liles, James McConnell, and David Bernard.

Sixth grade was exciting since we had two teachers, Mrs. Speicher and Miss Philpott. This year we met Arthur Barkhurst.

Of course, in seventh and eighth grade we made more new friends. Charles Ash and Don Bodds met us in seventh grade and in eighth grade Lois Reed. These years were gay ones for now we could change classes just like the big kids. We also were allowed to attend the 7th and 8th grade dance. This was the outstanding social event of the season.

The climax of our high school days came when we were freshman. Many new pupils joined our class making the enrollment 84. Those enrolling this year were: Marlene Terry, Mary Ann Fryer, and Joan Edgar from Red Hill; Robert George, Arthur Cline, and Don Bizic from Georgetown. Kendall Lewis came from Flushing and Dale Lewis joined us from New Athens. Dick Jones, Betty Banks, Louine West, and Viola West came over from Dunbar School. And then from Pike Peak came Cornell Porter, Mary Jean Hennen and Ray Hildreth. Mt. Vernon sent us Lois Hines, Veda Johnson, and Vernon Ickes. Those coming on the bus from Unionvale were: Don Kelley, Evelyn McDevitt, and Marlene Tweedy. Don Evans joined us from Wheeling, and George Brown from Barrettes.

Life went along right on schedule. We now became interested in sports, band and extracurricular activities. In our Sophomore year the girls joined Y-Teens and the boys joined the Hi-Y. They were also active in sports.

Our time was taken up in our Junior year by the Class Play "Seventeenth Summer" and getting ready for the Junior-Senior Prom. We chose "Gay 90's" as our theme and under the sponsership of Miss McCutcheon and Mr. Patterson we had a very colorful prom. This year Jo Anne Spurrier added her name to our roll.

To complete the cycle we added to our roll James Erb, Charles Wells, and Dale Hill who left in the ninth grade but returned to graduate at Cadiz.

The years have gone fast and now we have attained that wonderful name "Seniors". On May 18, 1951, we graduated from Cadiz High School.

Junior Play

1st row, George Arris, Marilyn Mattern, Jack Reed, Nancy Rowland, Mike Liles, Martha Blake, Grace Marie Fleming, 2nd row Kendell Lewis, Joan Edgar, Marilyn Coulson, Art Barkhurst, Mrs. Patterson, Mary Ann Fryer, Donald Evans.

Senior Play

1st row, Mary Ann Fryer, Don Evans, Marilyn Coulson, Russell Tilkey, Marilyn Mattern. 2nd row, Don Kelley, John Hanna, Vernon Ickes, Lois Hines, Mike Liles, Nancy Rowland, Mrs. Carnes, Charles Carter, Charles Hazelrigg.

In its Junior year, the Class of 1951 presented the play, "Seventeenth Summer", by Maureen Daly.

The theme of the story was based on the different problems facing a teen-age girl, her method of solving them, and her ideal plans for the future. The heroine finally proved, after many upsets, that it was better to be honest and fair than to be flattered by gifts.

With the able assistance of Mrs. C. J. Patterson, the Juniors were very successful in their play.

For their senior play the class presented the romantic drama, "Marcheta," by Arthur Jearue, a three-act play. The entire action takes place within the walls of the patio of Pancho El Montez, the ancient homestead of an aristocratic family. Marcheta, the daughter of Montez and heroine of the story, is in love with Raymon Donovan, a poor boy, but her father wishes her to marry Carlos Cortez, a wealthy suitor. After many difficulties and tragedies Marcheta dies, failing to realize her dream--her marriage to Donovan. The moral of this story--happiness and wealth are often strangers.

Mrs. Ila Vera Carnes, together with an eager cast, is to be complimented for the wonderful production of this play.

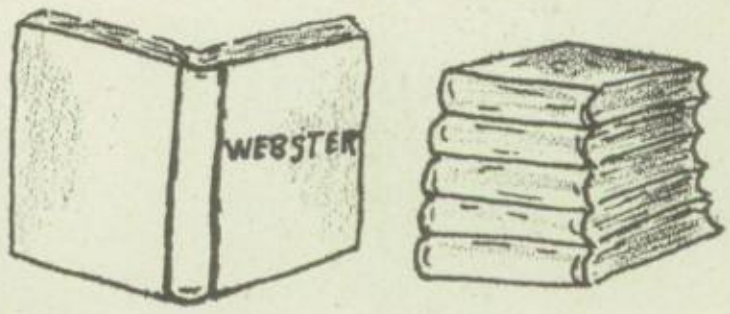
Girls and Boys States

Cornell Porter, Ray Hildreth, Charles Carter

These three were selected and sponsored by the American Legion and its Auxiliary as representatives to Girls' State and Boys' State. The Girls' State was held at Capital University, Columbus, Ohio, and the Boys' State at Camp Perry.

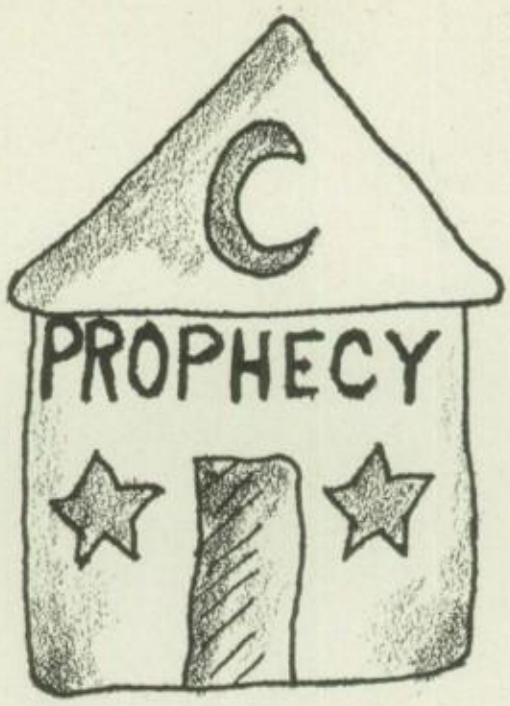
They spent a most enjoyable and educational week last summer for the purpose of not only gaining more knowledge of State, Local, and National Government, but also seeing and experiencing Government in action.

Library



The library staff has many duties such as dusting, filing, checking the books, etc., but the most important duty is toward the students. Their many questions are to be answered, if possible, and the right books found for them. The library is a plce worthwhile to the students and a help to the school.

1st row: Bobby Kirkland, Frances Rogers, Dorothy Mizer, Anna Jean Vanek, Susan Campbell, Don Cope. 2nd row: Martha Ellen Blake, Marilyn Matter, Ann Louise Belden, Mrs. Speicher, Grace Marie Fleming, Janet Trushel.



Washington D.C.
May 25, 1961

Dear Nancy,

While I was killing time, waiting for the annual meeting of the Farmers' Institute for which I was to speak on "How to Get Alfalfa When You Are Supposed to Get Timothy", I happened to run into an old schoolmate of ours, John Hanna. John told me his Florist business was quite nice and that he was personally sending violets to the President's daughter. Next year he plans to plant tulips in the White House lawn!

John invited me to have lunch with him at Georgie's Place, which naturally I accepted very readily. While munching on two cold cucumbers, the owner came in, and do you know who he was? None other than George Arris. Imagine how surprised we were! George told us that his chief cook and bottle washer, plus his efficient manager was Mary Jean Hennen. Jeanie related some news as to the whereabouts of Evelyn and Corneli. Can you guess what they are doing? Touring the world with Mrs. Carnes' Big Ballet Show. Remember how crazy they used to be--about ballet, of course! After our lunch John and I departed so I could return to the Institution.

While ambling along, I happened to see a sign which read, "Ladies Apparel-styled by Charles Carter". You know Nank I always knew Chuch had ability but_____.

When I reached the Institution the lobby was quite crowded and there I bumped into Charles Ash and Don O'Bradovich. Chuch and Don are now news reporters. They always did know the inside details. They told me that Russell Tilkey was now head professor at the Chicago School for the Double Jointed. It seems his prize pupil, Lois Reed, is quite and expert.

Donny said that Jack Giacobbi was with the Cleveland Browns, water boy or some such.

Art Barkhurst is sailing across the deep blue, headed for Tibet. He is looking for new horizons.

Donny also told me that Martha McFarlan is down in Texas with the oil wells. Speaking of wells, I heard Martha Ellen Blake has a few Wells now.

Chuck said that Don Kelley was quite a success in New York with his famous guitar Remember when Don first made his delude, Dec. 14-15, 1950?

After my speech I hurried to the train and was surprised to find that the conductor was Ray Hildreth--"get your ticket, all-aboard, watch your step lady."

Ray and I had a long, long talk. He told me that Vernon Ickes is in Hollywood, currently starring in "Cheaper by the Six Dozen", a regular Clifton Webb type. Remember Vernon in the class play.

Ray said Don Bizic and Bob George, the famous new song writer team, were just rolling in popularity in New York. Their latest is "Who Put the Popcorn in the Peanut Bag?"

Ray said he had heard that Ed Jones is quite sensational with his original jazz band, at present playing in Vienna. His prize player is Dale Hill, who really beats those old drums.

I heard from Ray that Bob Harden is in Africa exploring and hunting. It seems he is looking for an old buddy, a monkey or something like that.

Ray said he had heard that Betty Banks, Viola and Louine West are really giving the Andrew Sisters competition. They expect to travel across the seas, soon.

I heard Marlene Tweedy is an inspector in an airplane factory; she had worked all the way up from 1st class riveter.

When I got off the train, the taxi I called was being driven by Joan Edgar. Joan was so surprised her foot slipped and the gas pedal stuck. We were really traveling! After a patrolman followed us for about 8 miles she got the car under control. The patrolman didn't give us a ticket, though, because you know Art Cline wouldn't give classmates tickets. Can you imagine Art a patrolman?

Art told us that Jim McConnell owns a tabacco farm in Mississippi and is quite prosperous. His slogan is "Try Big Jim's Stogies for Nagging Back Aches".

Art said he had heard that Charles Hazelrigg had finally given up trying to play the piano and is now head ping-pang coach at Stumptown U.

It seems Dave Bernard finally became manager of Hillcrest Dairy. He has put out a new product--more kick to the lick of pepto milko.

I guess Dave Mizer is the world's best known author and is living in Death Valley. His latest book was "Walking Along with an Empty Water Can".

Art said that George Brown and Charles Wells are prosperous and very busy undertakers. Their motto is "Always room for one more".

Art told us that Mike Liles followed in his father's steps and is in Timbucktu with the Hanna Coal Company.

I guess Don Evans, the high school casanove is still the same--only more so. He has definitely decided that matrimony just is not for him. So he's "batching".

Joan told us that Lois Hines is married and operates a kindergarden. I guess she has four of her own enrolled.

Joanne Spurrier is proprietress of a successful beauty parlor in Little Rock, Arkansas. Guess who runs the county pool parlor next door--Fred Emert.

Dick Jones was voted Mr. Touchdown of 1960. He is finally making touchdowns that count.

Don Barnhart has given up chasing women, and is now Justice of the Peace in Reno. I guess he is kept quite busy by Marlene Terry who has already had 10 proposals and 5 husbands.

After I bought my T. W. A. ticket from Philadelphia, to the thriving city of Cadiz, I found my pilot to be Don Dodds. He was always flying high anyway.

When I reached Cadiz, I ran into Lee Liming who is operating the daily express from Cadiz, New Athens, and Flushing. I heard he is doing fine.

James Erb was the chief test pilot at the new Cadiz Atom Bicycle factory. He is now seen with two canes and a wheelchair.

Lee told me that Veda Johnson is the new president of the Harrison County Farmette Society. She is really reaping the harvest.

Mary Ann Fryer is now happily married and is busy teaching her three little red heads how to feed the chickens.

Lee also said that Kendall Lewis had followed the wild goose into Alaska. After stumbling into a gold mine he decided to stay and settle down.

Say, Nank, what have you heard about Gracie Fleming's marriage? The last I heard she had been running such competition with another photographer that HE decided they should have a partnership.

I heard Marilyn Coulson had gotten married and was taking care of little George Jr.

I certainly wish Dale Lewis all the luck in the world with his counterspy job. His last case was exciting. Remember his catching the thief that ran away with Shakespeare's Macbeth? And how surprised we were when it turned out to be Mr. Campbell?

Well, Nank, take care of your art studio and also the counterspies.

Good luck,

Marilyn Mattern

Last Will

The time has come for the present senior class to depart from this way of life and enter into new fields. We are not certain what the future holds for us; therefore, our formal will is stated below.

The Cadiz Chapter of the National Honor Society was first chartered in 1934. It was discontinued in 1942 and then renewed in 1946. The emblem has a flaming torch in the center with the letters C S L S at the bottom. These letters stand for Character, Scholarship, Leadership and Service. The members are chosen from those who meet the requirements and are judged on these four traits.

Our chapter now has 20 members with Miss McCutcheon as our Sponsor. The officers are: President, Charles Hazelrigg; Secretary, John Hanna; Treasurer, Marilyn Matten. We are trying to further the aims of the society in our school.

The requirements for membership in the Honor Society are:

3. They must have a B or 85% average.
4. Those inducted will be 15% of the Junior Class and 5% of the Senior Class, taken in during the first semester.

Clayton Freeman

Champions

Clayton Freeman, '52, carried Cadiz High colors to state-wide victory when he won first place in the annual Prince of Peace Declamation Contests sponsored by the Ohio Council of Churches. Freeman was victorious in the local, county, district, semi-final, and final contests, having been in competition with 4300 entrants from all over Ohio. The finals were held in Memorial Hall, Columbus, Ohio, on January 24, 1951, at the time of the Ohio Pastors' Convention. The award which Freeman won was $200 and a four-year scholarship to an Ohio college. Previous to this, his awards were a bronze, silver, and gold medal, presented to him as winner of the first three contests. Cadiz High is proud of Clayton Freeman and his achievement, and the good wishes of the entire community go with him as he plans for a successful college career.

Patrons

This year the Annual Staff decided not to ask for advertising; they realize that no merchant makes anything from this advertising, and each has to be charged the same rate. They have, therefore, asked firms and individuals if they would back up the class in getting out an Annual; the response was most pleasing; contributions from .25 to $10 have been received, making a total of better than $160. The Staff and class express thanks to everyone who has helped. The following is a list of those from whom contributions were received.
